

HBAR Codes Committee Member Feedback Form

The mission of the HBAR Codes Committee is to serve as the liaison between the Home Building Association of Richmond and various building inspection departments in the Richmond metro area and to be the voice of the housing industry in central Virginia with respect to building code and inspection issues.

The purpose of this form is to give HBAR members and opportunity to share specific code or inspection-related concerns and issues with the HBAR Codes Committee for follow-up. To the extent possible, we will protect your anonymity.

Please provide the requested information, and the Codes Committee will look into the issues/concerns you raise and let you know what we find out.
